

St Michael and All Angels Church, Middlewich

Christmas Services/Events - Our plans for celebrating Christmas are going to be subject to the government restrictions in place at the time. But we are currently planning for the following series of events/services:

Sunday 13th December - **Christingle Service** at 4pm. This will be live streamed via Youtube, with Christingle making kits distributed to families beforehand.

Saturday 19th & Sunday 20th December - **Christmas Open Church** - St Michael's Church will be fully decorated for Christmas, with an Advent/Christmas prayer trail for people to follow. We currently plan to be open 10am-2pm each day.

Sunday 20th December - **Carol Service** at 6:30pm. Again this will be live streamed via Youtube.

Then over Christmas Eve & Christmas Day we intend to offer a series of Christmas communion services and would invite you to come & participate in one of these.

Prebooking will be necessary. Currently these are planned to be:

Christmas Eve (24th December)

- 9:30am Communion - St Michael's Church, Middlewich

- 7:30pm Communion - St Michael's Church, Middlewich

Christmas Day (25th December)

- 10am Communion - St Michael's Church, Middlewich

- 11am Communion - St John's Church, Byley

There will also be a prerecorded Christmas Day service available on our Youtube channel.

Although all of the above may be subject to some change I hope it gives you an idea of what will be on offer to the church, and wider, community over Christmas.

Yours in Christ

Simon
